Yes. Can u pls send? And agree with the word version only (and maybe just the redline - easy enough for them to make a clean version from it?)

If so, I'll get it ready to send out. Do you want to send or me?

Also – I plan to just send the redline with the edits in word and not pdf like they did (and then accompanied with clean word version).

Have you had a chance to look at their comments re: the audit? I just opened it up – I plan to review tomorrow morning.

Below is a draft email for you to review, edit, etc. Let me know if you have any questions.

Also – I just wanted to give you a heads up that the R6 deadline for reporting that I mentioned in my comment yesterday is associated WFM’s off-ramp for the electronic system (see paragraph 42 of the Texas CAFO).
